

impacts of property disposal and documents its decision to transfer the property with encumbrances. The ROD concludes that the 215-acre property will be conveyed subject to notices and restrictions (identified in the FEIS) relating to remediation and radiological decommissioning activities, natural resources, cultural resources, and the protection of human health and the environment. Additionally, mitigation measures for reuse activities are identified in the FEIS, which future owners may employ to avoid, reduce, or compensate for adverse impacts that might occur as a result of disposal.
